PRINCESS

YOU ARE INVITED TO JOIN OUR 33RD ANNUAL *Super Cruise*

Hello Friends!

Every year at this time, we gather to announce the next Super Cruise... and after 33 years, I can honestly say some announcements are more special than others. This is one of those years.

For the first time ever, we are going all-inclusive!

We're jumping ship (yes, really!) from Royal Caribbean and setting sail aboard the brand-new Star Princess from Princess Cruises, sailing from Fort Lauderdale. And trust me... this is not your granny's Princess.

The Star Princess has been built with an incredible Caribbean vibe and a fresh, modern energy that fits our kind of fun perfectly. Constructed by Fincantieri in Italy, this stunning new ship is already generating buzz and is expected to collect major awards in 2026, from groundbreaking ship design to next-level dining and world-class entertainment.

Our itinerary is just as exciting:

Cozumel – famous for its beach clubs and now one of the top cruise destinations for shopping and fun.

Belize – a destination that continues to surprise guests with its natural beauty, adventure options, and unforgettable experiences.

Mahogany Bay, Roatán (Honduras) – soon to experience a \$93 million transformation into Isla Tropical, featuring a new swim-up bar pool, luxury cabanas, a stunning peninsula expansion, and an elevated beach club experience across an expanded beachfront.

And here's the game-changer...Princess Plus is already included in your pricing.

When you compare this value to past Super Cruises, you'll see just how tremendous this opportunity truly is. The Star Princess is ready for our kind of energy, our kind of celebration, and our kind of Super Bowl Party at sea. I look forward to sharing even more details at our cocktail party this week.

We truly hope you'll join us as we begin an exciting new chapter of the Super Cruise aboard the Star Princess. A Super Time Is Planned!

Warmest regards, Kevin Kelly & the Super Crew
